of scientists globally are supplied by Abcam

110K

products are distributed to research protein targets globally

400+

Source their products from over 400 partners

1,100

employees work for Abcam worldwide

THE CHALLENGE

Finding the right virtual data room for their IPO

Wanting to go public within 4 months, Abcam was looking for a virtual data room that could be implemented quickly and offered a user-friendly platform to allow their stakeholders to access and navigate through numerous documents seamlessly.

For Abcam, **Venue** was the obvious choice.

NAME	ACCESS	FILE SIZE	PAGES	LAST UPDATED
